Hamlin Garland's Concett.

Hamlin Garland, who is now, by residence at least, a New Yorker, is well known among his friends for the seriousness with which he regards his work and the importance which he attaches to his position in literature. An example of this was given when Mr. Garland recently visited a friend, whose wife brought in for Sunday night tea a dishful of fresh mushrooms, which she had procured from a neighboring hothouse. The distinguished author regarded them with undisguised
